“Community is much more than belonging to something; it’s about doing something; it’s about doing something together that makes belonging matter.”

The Board of Selectmen proudly dedicates this annual report to our community. It is the contribution of every resident that makes our community what it is. Everyone contributes in some way, big or small, and we recognize your actions as a positive and valued component of this great community where we live. Whether you help family, lend a hand to neighbors and friends, volunteer at the schools, coach a team, join a community group, volunteer on a committee, help at elections, donate to the food pantry, clothing closet or perform any actions to help better our community, we thank you and recognize your efforts to keep Sandown an amazing place to live.

Ever since the war on terror began, the LIONS Club of Sandown has attempted to identify and provide support for the men and women of Sandown who serve in the U.S. military. Sandown should be proud and thankful for these young hero's – for their service, dedication and sacrifice. Many have completed multiple tours in many countries and we ask that you continue to keep them all in your thoughts and prayers.

The LIONS Club of Sandown has been providing extraordinary financial and generous assistance in the “Support our Troops” project. With periodic care packages, gift cards, notes and letters, we attempt to bring a small Taste of Sandown to wherever our troops are deployed. They are indeed on duty all over the world representing us with honor and pride.

Since 2001, we have identified and supported over 80 members of our community who have served or continue to serve in the military. **It is our goal to recognize, support and salute all from Sandown who serve, however we need your HELP in identifying these individuals. Please contact us via email at [pmass1963@comcast.net](mailto:pmass1963@comcast.net) if you can assist in updating us on any new or current Sandown service member.**

If you are inclined to assist in this effort, your tax deductible check can be made payable to the “LIONS Club of Sandown” and mailed to: c/o 25 Eastfield Loop, Sandown, NH 03873 (please write “Support our Troops” in the subject line). If you would like to assist with letters or care packages, please reach out at the number or email address above.

**It is our goal to Recognize and Salute all who Serve!**

With thanks,  
The LIONS Club of Sandown

# CITIZEN OF THE YEAR

---

Michael Harnois

*Article courtesy of Tri-Town Times (Penny Williams)*

The Sandown Citizen of the Year was announced at the annual Sandown Old Home Day on Saturday morning, Sept. 8, and this year's choice was long time Sandown resident Michael Harnois. Harnois has contributed his talent and expertise over the years to preserving many of Sandown's important happenings, such as the

Memorial Day Services authored by Kevin Major and Sandown Old Home Day events.

Harnois and his wife Trish have lived in Sandown since May of 1996 and have raised their three children in town. Harnois, a film editor by profession, "I've been in the media related industry since graduating from high school back in 1983," he said. "I've been editing professionally for over 30 years now. Most of the work I do is either broadcast commercials or corporate related."

He had a somewhat humorous take on his selection as Sandown Citizen of the Year. "Somebody out there must have thought I had put in enough time and effort working within the community to warrant a nomination," he said. "The gentleman who contacted me initially, Donald York, told me that my 'fan club' had nominated me. Who knew I had fans!

Over the years I've been a member of or involved with, many organizations and committees in town. I guess that time spent might be the catalyst for the nomination."

Asked what he thinks about being selected for this award he responded saying, "I think the Citizen of the Year is kind of a small town thing, and that's partly why I love that Sandown continues to award it. It's a wonderful way to acknowledge someone in town who perhaps went a bit above and beyond and deserves to be recognized for it. There are some tremendously giving individuals who live here in Sandown, many of whom have had this honor bestowed upon them already. It certainly is no small affair to be counted among them."

Harnois also added that he and his family have been regular Sandown Old Home Days participants.

"We've been attending the Old Home Day celebrations since our first child was born," he said. "It's another one of those small town charms that not everyone gets to experience. It certainly is an opportunity to catch up with other town folk you either have not seen in a while or may have just met. I've always enjoyed the parade. For many years I was hoisting my kids on my shoulders, catching thrown candy or high five'n a clown with them. Later I was filming the parade for the town's cable channel. Loved capturing those 'young family' moments on film."

Harnois really enjoys the small town aspects of the community and the opportunities that are available to be involved in the community. "I love living here in Sandown," he said. "Both my wife and I have worked very hard to help the people of this small town community continue to make Sandown a great place to raise its children. I believe that by being active in the town, getting involved with committees or organizations, helps make you a complete citizen. The fact that you might get chosen as the 'one of the year', that's just a bonus."

---

"There are some tremendously giving individuals who live here in Sandown, many of whom have had this honor bestowed upon them already. It certainly is no small affair to be counted among them."

# YOUNG CITIZEN OF THE YEAR

---

Samantha Olsen

*Article courtesy of Tri-Town Times (Penny Williams)*

The Sandown Old Home Day Committee named its Young Citizen of the Year, on Saturday, September 8, as 17 year old Samantha Olsen. She has been volunteering and helping with the Sandown Old Home Days working with her mother Erica Olsen.

Learning at an early age the importance of volunteering and helping with community events reflects the kind of individual this concerned and caring young woman is. Samantha has a strong commitment to serving her community.

Samantha is a lifelong Sandown resident and loves the community and enjoys being involved in working on community-related projects, especially ones associated with the Sandown Old Home Days. Following in her mother's volunteer oriented footsteps brings Samantha both pleasure and satisfaction.

"I am a senior at Timberlane Regional High School," she said. "I plan on going to college after high school. I am looking at majoring in Architectural Engineering with a minor in Civil Engineering."

She was very surprised at being selected as the Sandown Young Citizen of the Year, but said she feels very honored to have received it.

"I started volunteering when I was little with my mom," she said. "Now I help with the things she does like Old Home Days, the road race, and the LIONS Club."

Asked if receiving this award would spur her on to do more in her community, she responded saying, "I will try to do more for my community after receiving this honor."

Samantha and her sister and brothers spend much of Saturday helping with the kid's games area during the Old Home Day event.

---

"I feel like Old Home Days brings the community together for one day every year to celebrate the town which is very nice."

---

The Fall Old Home Day Festival is a two day festival that includes a variety of events and activities, bringing out crowds of residents to participate and even having former residents return to see old friends and touch on old memories. Samantha enjoys being a part of this event and sees it as a positive community activity.

"I feel like Old Home Days brings the community together for one day every year to celebrate the town which is very nice," she said. "I love when the actual day happens because I get to see the planning of it."

## INDEPENDENT AUDITORS' REPORT

To the Board of Selectmen  
Town of Sandown, New Hampshire

Additional Offices:  
Nashua, NH  
Andover, MA  
Greenfield, MA  
Ellsworth, ME

### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of and for the year ended December 31, 2017, and the related notes to the financial statements, which collectively comprise the Town's basic financial statements as listed in the Table of Contents.

### **Management's Responsibility for the Financial Statements**

The Town's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting pol-

icies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

## **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the major fund, and the aggregate remaining fund information of the Town of Sandown, New Hampshire, as of December 31, 2017, and the respective changes in financial position thereof, and the respective budgetary comparison for the General Fund for the year then ended in conformity with accounting principles generally accepted in the United States of America.

## **Other Matters**

### *Required Supplementary Information*

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis, and the Pension schedules appearing on pages 38 to 39 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with evidence sufficient to express an opinion or provide any assurance.

*Melanson Heath*

RECONCILIATION OF THE STATEMENT OF REVENUES,  
EXPENDITURES, AND CHANGES IN FUND BALANCES OF  
GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES

FOR THE YEAR ENDED DECEMBER 31, 2017

<b>Net changes in fund balances - total governmental funds</b>	<b>\$ (165,001)</b>																		
<ul style="list-style-type: none"> <li>Governmental funds report capital outlays as expenditures. However, in the Statement of Activities the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense:           <table> <tr> <td>Capital outlay</td><td>768,228</td></tr> <tr> <td>Loss on disposal of assets</td><td>(16,048)</td></tr> <tr> <td>Depreciation</td><td>(251,893)</td></tr> </table> </li> <li>The issuance of long-term debt (e.g., bonds) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the financial resources of governmental funds. Neither transaction, however, has any effect on net position:           <table> <tr> <td>Issuance of capital lease</td><td>(87,690)</td></tr> <tr> <td>Repayment of bonds</td><td>50,000</td></tr> <tr> <td>Repayment of capital lease</td><td>66,680</td></tr> <tr> <td>Change in net pension liability</td><td>(34,288)</td></tr> </table> </li> <li>Revenues in the Statement of Activities that do not provide current financial resources are fully deferred in the Statement of Revenues, Expenditures, and Changes in Fund Balances. Therefore, the recognition of revenue for various types of accounts receivable (i.e., real estate and personal property, motor vehicle excise, etc.) differ between the two statements. This amount represents the net change in deferred revenue.           <table> <tr> <td></td><td>(9,740)</td></tr> </table> </li> <li>Other differences           <table> <tr> <td></td><td>(97,334)</td></tr> </table> </li> </ul>	Capital outlay	768,228	Loss on disposal of assets	(16,048)	Depreciation	(251,893)	Issuance of capital lease	(87,690)	Repayment of bonds	50,000	Repayment of capital lease	66,680	Change in net pension liability	(34,288)		(9,740)		(97,334)

## 2018 Cemetery Report

<b>BEGINNING BALANCE</b>	<b>250.87</b>
APPROPRIATION	3,801.00
Perpetual Care Fund	200.00
Cemetery Maintenance Fund	200.00
Interest	14.03
<b>TOTAL REVENUE</b>	<b>4,215.03</b>
BANK FEE FOR DEPOSIT SLIPS	10.64
EQUIPMENT REPAIR AND MAINTENANCE	
Carroll Bassett - gas , oil, filters and mower blades	213.24
SITE REPAIR AND MAINTENANCE	
Labor	2,087.00
FICA	159.66
Spring cleanup & driveway repair	206.00
Repair cemetery wall	1,725.00
Flagpole rope and snaps	15.47
<b>TOTAL DISBURSEMENTS</b>	<b>4,417.01</b>
<b>ENDING BALANCE</b>	<b>48.89</b>

Lots can be purchased from any trustee. Half of the purchase price is deposited into the Cemetery Maintenance Trust Fund for general repair of the cemetery. The balance is deposited into the Perpetual Care Fund to exclusively take care of that lot. Both Funds are held by the Trustees of the Trust Funds and expended by the cemetery trustees.

The information in this report is correct to the best of our knowlege.

Deliberative Session was held on Saturday February 2nd at 9:00 am

Town Elections will be held on Tuesday, March 12th  
Polls will be open from 8:00 am to 8:00 pm at the Town Hall

## **TOWN OF SANDOWN STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Sandown qualified to vote in Town affairs you are, hereby, notified of the following Town meeting schedule.

### ***First Session of Annual Meeting (Deliberative)***

You are hereby notified to meet at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire, on Saturday, February 2, 2019 at 9:00 am. This session shall consist of explanation, discussion and debate of warrant articles number 2 through 19. Warrant articles may be amended subject to the following limitations: (a) warrant articles whose wording is prescribed by law shall not be amended and (b) warrant articles that are amended shall be placed on the official ballot for a final vote on the main motion, as amended; and (c) no warrant article shall be amended to eliminate the subject matter of the article.

### ***Second Session of Annual Meeting (Voting)***

Voting on warrant articles number 1 through 19 and the zoning amendments will be conducted by official ballot to be held on Tuesday, March 12, 2019 at Sandown Town Hall, 320 Main Street, Sandown, New Hampshire. Polls will be open from 8:00 am to 8:00 pm.

**Warrant Article 1.** To choose all necessary Town Officers for the ensuing year (to be voted by ballot March 12, 2019).

**Warrant Article 2.** Shall the Town raise and appropriate as an operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant or as amended by vote of the first session, for the purposes set forth therein, totaling \$4,299,746. Should this article be defeated, the default budget shall be \$4,058,443, which is the same as last year, with certain adjustments required by previous action of the Town or by law; or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised operating budget only. This operating budget warrant article does not include appropriations contained in ANY other warrant articles.

Estimated tax impact of this article is \$6.54 per thousand.

(Recommended by the Board of Selectmen: 4-1-0)

(Recommended by the Budget Committee: 6-1-0)

**Warrant Article 3. Shall the Town vote to raise and appropriate and authorize the Selectmen to accept a Highway Block Grant in the sum of One Hundred Sixty Six Thousand Eight Hundred Fifty Seven Dollars (\$166,857) for the road improvement programs to be recommended by the Sandown Highway Department and approved by the Sandown Board of Selectmen, said sum to be supplied by the State of New Hampshire.**

**Estimated tax impact of this warrant article is \$0**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Special Warrant Article 4. Shall the Town vote to raise and appropriate the sum of Four Hundred Twenty Thousand Dollars (\$420,000) to be added to the previously established Road Improvement Capital Reserve Fund.**

**Estimated tax impact of this article is \$0.62 per thousand.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Warrant Article 5. Shall the Town vote to authorize the Selectmen to enter into a long-term lease/purchase agreement not to exceed five years in the amount of Two Hundred Three Thousand Four Hundred Thirty Dollars (\$203,430) for the purpose of leasing/purchasing a truck with plow and sander for the Highway Department and to raise and appropriate the sum of \$40,686 for the first year's payment. This lease/purchase agreement contains an escape clause.**

**Estimated tax impact of this article is \$0.06 per thousand.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Warrant Article 6. Shall the Town raise and appropriate the sum of One Hundred Seventy Nine Thousand Seven Hundred Dollars (\$179,700) to purchase and equip a truck with plow and sander for the Highway Department. Should Article 5 pass, this Article becomes null and void.**

**Estimated tax impact of this article is \$0.27 per thousand.**

**(Not Recommended by the Board of Selectmen: 0-5-0)**

**(Not Recommended by the Budget Committee: 0-7-0)**

**Warrant Article 7. Shall the Town raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) to purchase a lawn mower for the Highway Department to maintain grounds for the Town.**

**Estimated tax impact of this article is \$0.02 per thousand.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Special Warrant Article 8. Shall the Town vote to raise and appropriate the sum of One Hundred Seventy Three Thousand Five Hundred Dollars (\$173,500) to be added to the Bridge Capital Reserve Fund previously established.**

**Estimated tax impact of this article is \$0.26 per thousand.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Warrant Article 9. Shall the town modify the optional Veterans' Tax Credit in accordance with RSA 72:28 II from its current tax credit of \$500 per year to \$750. The all Veterans' tax credit will also be modified from \$500 per year to \$750.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Special Warrant Article 10. Shall the Town vote to raise and appropriate the sum of Twenty Eight Thousand Twenty Six Dollars (\$28,026) for treatment to control exotic aquatic species including invasive variable milfoil and fanwort in Phillips Pond. Costs will be offset by \$8,490 in grant funds and a \$10,500 donation from the Phillips Pond Association. This is a special warrant article.**

**Estimated tax impact of this article is \$0.04 per thousand.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Special Warrant Article 11. Shall the Town raise and appropriate the sum of Thirty Eight Thousand Dollars (\$38,000) for the purpose of site work and expansion costs of the Center Cemetery. This is a special warrant article.**

**Estimated tax impact of this article is \$0.06 per thousand.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 5-1-1)**

**Special Warrant Article 12. Shall the Town vote to raise and appropriate the sum of Fifty Thousand Dollars (\$50,000) to be added to the Fire Equipment and Apparatus Capital Reserve Fund previously established.**

**Estimated tax impact of this article is \$0.08 per thousand.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 6-1-0)**

**Warrant Article 13. Shall the Town vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) to support charitable organization, Isaiah 58 New Hampshire. If this warrant article passes, future appropriations will be included in the operating budget.**

**Estimated tax impact of this article is less than \$0.01 per thousand.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Special Warrant Article 14. Shall the Town vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 to be known as the Stormwater Management Capital Reserve Fund for the purpose of stormwater management and to raise and appropriate the sum of Five Hundred Dollars (\$500) towards this purpose, and to further appoint the Board of Selectmen as agents to expend from the fund.**

**Estimated tax impact of this article is less than \$0.01 per thousand.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Special Warrant Article 15. Shall the Town vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000) to be added to the Revaluation Capital Reserve Fund previously established.**

**(Recommended by the Board of Selectmen: 5-0-0)**

**(Recommended by the Budget Committee: 7-0-0)**

**Sandown Planning Board  
Zoning Amendments for 2019 Ballot**

**Z-1    Are you in favor of the adoption of Amendment Z-1 as proposed by the Planning Board for the Town of Sandown Zoning Ordinance as follows:**

**To insert the text of Article VII – Illicit Discharge Detection and Elimination Ordinance in the Zoning Ordinance.**

**The intent of the Amendment is to expand the Zoning Ordinance as required in order for the Town of Sandown to satisfy the municipality’s obligation to comply with applicable requirements of the United States Environmental Protection Agency (EPA) – National Pollutant Discharge Elimination System General Permit for Stormwater Discharges from Small Municipal Separate Storm Sewer Systems. The full text of Amendment Z-1 as proposed by the Sandown Planning Board is available for public inspection at the Sandown Town Hall during regular business hours.**

ARTICLE VII  
ILLICIT DISCHARGE DETECTION AND ELIMINATION ORDINANCE

*December 04, 2018*

**SECTION 1. PURPOSE AND INTENT**

The purpose of this Illicit Discharge Detection and Elimination (IDDE) Ordinance is to provide for the health, safety and general welfare of the citizens of Sandown through the regulation of non-storm water discharges to the storm drainage system to the maximum extent practicable. The IDDE ordinance establishes methods for controlling the introduction of pollutants into the municipal separate storm sewer system (MS4) in order to comply with requirements of the National Pollutant Discharge Elimination System (NPDES) permit process. The objectives of this ordinance are to:

1. Regulate the contribution of pollutants to the MS4 by storm water discharges by any user.
2. Prohibit illicit connections and discharges to the MS4.
3. Establish legal authority to carry out all inspection, surveillance, monitoring, and enforcement procedures necessary to ensure compliance with this ordinance.

**SECTION 2. DEFINITIONS**

For the purposes of this Article VII of the Sandown Zoning Ordinance, the following words and terms shall mean:

Authorized Enforcement Agency. Employees or designees of the Town of Sandown designated to enforce this Ordinance.

Best Management Practices (BMPs). Schedules of activities, prohibitions of practices, general good housekeeping practices, pollution prevention and educational practices, maintenance procedures, and other management practices to prevent or reduce the discharge of pollutants directly or indirectly to storm water, receiving waters, or storm water conveyance systems. BMPs also include treatment practices, operating procedures, and practices to control site runoff, spillage or leaks, sludge or water disposal, or drainage from raw materials storage.

Illegal Discharge. Any direct or indirect non-storm water discharge to the storm drain system, unless otherwise exempted under the terms and conditions of this ordinance.

Illicit Connections. An illicit connection is defined as either of the following:

- Any drain or conveyance, whether on the surface or subsurface, which allows an illegal discharge to enter the storm drain system, including but not limited to any conveyances that allow any non-storm water discharge including sewage, process wastewater, and wash water to enter the storm drain system and any connections to the storm drain system from indoor drains and sinks, regardless of whether said drain or connection had been previously allowed, permitted, or approved; or
- Any drain or conveyance connected from a commercial or industrial land use to the storm drain system that has not been previously approved by the Town of Sandown or others of competent jurisdiction as applicable.

Industrial Activity. Activities subject to NPDES Industrial Storm Water Permits as defined in 40 CFR, Section 122.26 (b) (14).

Municipal Separate Storm Sewer System (MS4). The system of conveyances (including sidewalks, roads with drainage systems, municipal streets, catch basins, curbs, gutters, ditches, man-made channels, or storm drains) owned and operated by the Town of Sandown and designed or used for collecting or conveying storm water, and that is not used for collecting or conveying sewage.

National Pollutant Discharge Elimination System (NPDES) Storm Water Discharge Permit. means a permit issued by EPA (or by a State under authority delegated pursuant to 33 USC § 1342(b)) that authorizes the discharge of pollutants to Waters of the United States, whether the permit is applicable on an individual, group, or general area-wide basis.

Non-Storm Water Discharge. Any discharge to the storm drain system that is not composed entirely of storm water.

Person. Any individual, association, organization, partnership, firm, corporation or other entity recognized by law and acting as either the owner or as the owner's agent.

Pollutant. Anything which causes or contributes to pollution. Pollutants may include, but are not limited to: paints, varnishes, and solvents; oil and other automotive fluids; non-hazardous liquid and solid wastes and yard wastes; refuse, rubbish, garbage, litter, or other discarded or abandoned objects, ordinances, and accumulations, so that same may cause or contribute to pollution; floatables; pesticides, herbicides, and fertilizers; hazardous substances and wastes; sewage, fecal coliform and pathogens; dissolved and particulate metals; animal wastes; wastes and residues that result from constructing a building or structure; and noxious or offensive matter of any kind.

Premises. Any building, lot, parcel of land, or portion of land whether improved or unimproved including adjacent sidewalks and parking strips.

Storm Drainage System. Publicly-owned facilities by which storm water is collected and/or conveyed, including but not limited to any roads with drainage systems, municipal streets, gutters, curbs, inlets, piped storm drains, pumping facilities, retention and detention basins, natural and human-made or altered drainage channels, reservoirs, and other drainage structures.

Storm Water. Any surface flow, runoff, and drainage consisting entirely of water from any form of natural precipitation and resulting from such precipitation.

Storm Water Management Plan. A document which describes the Best Management Practices and activities to be implemented by a person or business to identify sources of pollution or contamination at a site and the actions to eliminate or reduce pollutant discharges to Storm Water, Storm Water Conveyance Systems, and/or Receiving Waters to the Maximum Extent Practicable.

Wastewater. Any water or other liquid, other than uncontaminated storm water, discharged from a facility.

### **SECTION 3. APPLICABILITY**

This Ordinance shall apply to all water, pollutants or other substances entering the storm drain system generated on all lands unless explicitly permitted under the terms and conditions of this Ordinance.

### **SECTION 4. COMPATIBILITY**

The requirements of this Ordinance are in addition to the requirements of any other ordinance, rule, regulation, or other provision of law, and where any provision of this Ordinance imposes restrictions different from those imposed by any other ordinance, rule, regulation, or other provision of law, whichever provision is more restrictive or imposes higher protective standards for human health or the environment shall control.

### **SECTION 5. INTERPRETATION**

The standards set forth herein and promulgated pursuant to this Ordinance are minimum standards; therefore this Ordinance does not intend or imply that compliance by any person will ensure that there will be no contamination, pollution, or unauthorized discharge of pollutants.

### **SECTION 6. DISCHARGE PROHIBITIONS**

#### **6.1. Prohibition of Illegal Discharges.**

No person shall throw, drain, or otherwise discharge, cause, or allow others under its control to throw, drain, or otherwise discharge into the MS4 any pollutants or waters containing any pollutants, other than storm water.

The commencement, conduct or continuance of any illegal discharge to the storm drain system is prohibited except as described as follows:

1. The following discharges are exempt from discharge prohibitions established by this ordinance: water line

flushing, landscape irrigation, diverted stream flows, rising ground waters, uncontaminated ground water infiltration, uncontaminated pumped ground water, discharges from potable water sources, foundation drains, air conditioning condensation, irrigation water, springs, water from crawl space pumps, footing drains, lawn watering, individual residential car washing, flows from riparian habitats and wetlands, dechlorinated swimming pool discharges, and street wash water.

2. Discharges or flow from firefighting and other discharges necessary to protect public health and safety.
3. Discharges associated with dye testing of public and private storm drains, flow testing of public and private water supply wells and similar activities which may, from time to time, be undertaken in order to lawfully construct and maintain public and private infrastructure and utility systems.
4. A non-storm water discharge permitted under an NPDES Permit, waiver, or waste discharge order issued to the discharger and administered under the authority of the United States Environmental Protection Agency (EPA).

#### **6.2. Prohibition of Illicit Connections.**

1. The construction, use, maintenance or continued existence of illicit connections to the storm drain system is prohibited. This prohibition expressly includes, without limitation, illicit connections made in the past, regardless of whether the connection was permissible under law or practices applicable or prevailing at the time of connection.
2. A person is considered to be in violation of this Ordinance if the person connects a line conveying sewage to the MS4, or allows such a connection to continue.
3. Improper connections in violation of this Ordinance must be disconnected and redirected, if necessary, to an approved onsite wastewater management system or alternate system accepted to the Town of Sandown.
4. Any drain or conveyance that has not been documented by plans, maps or equivalent, and which may be connected to the storm sewer system, shall be located by the owner or occupant of that property upon receipt of written notice of violation from the Town of Sandown requiring that such locating be completed. Such notice will specify a reasonable time period within which the location of the drain or conveyance is to be determined, that the drain or conveyance be identified as storm sewer, sanitary sewer or other, and that the outfall location or point of connection to the storm sewer system or other stormwater discharge point be identified. Results of these investigations are to be documented and provided to the Town of Sandown.

### **SECTION 7. SURFACE WATER PROTECTION**

Every person owning property through which surface waters or a watercourse passes, or such person's lessee, shall keep and maintain that part of the surface waters or watercourse within the property free of trash, debris, excessive vegetation, and other obstacles that would pollute, contaminate, or significantly retard the flow of water through the watercourse. In addition, the owner or lessee shall maintain existing privately owned structures within or adjacent to a watercourse, so that such structures will not become a hazard to the use, function, or physical integrity of the watercourse.

### **SECTION 8. REQUIREMENT TO PREVENT, CONTROL, AND REDUCE STORM WATER POLLUTANTS BY THE USE OF BEST MANAGEMENT PRACTICES**

The Town of Sandown may adopt regulations identifying Best Management Practices for any activity, operation, or facility which may cause or contribute to pollution or contamination of storm water, the storm drain system, or Waters of the United States.

### **SECTION 9. NOTIFICATION OF SPILLS**

Notwithstanding other requirements of law, as soon as any person responsible for a facility or operation, or responsible for emergency response for a facility or operation has information of any known or suspected release of materials which are resulting or may result in illegal discharges or pollutants discharging into storm water, the storm drain system, or waters of the United States, said person shall take all necessary steps to ensure the

discovery, containment, and cleanup of such release. Failure to provide notification of a release as provided above is a violation of this Ordinance.

## **SECTION 10. VIOLATIONS, ENFORCEMENT, AND PENALTIES**

### **10.1. Violations.**

It shall be unlawful for any person to violate any provision or fail to comply with any of the requirements of this Ordinance. Any person who has violated or continues to violate the provisions of this Ordinance, may be subject to the enforcement actions outlined in this section or may be restrained by injunction or otherwise abated in a manner provided by law.

In the event the violation constitutes an immediate danger to public health or public safety, the Town of Sandown is authorized to enter upon the subject private property, without giving prior notice, to take any and all measures necessary to abate the violation and/or restore the property.

### **10.2. Warning Notice.**

When the Town of Sandown finds that any person has violated, or continues to violate, any provision of this ordinance, or any order issued hereunder, the Town may serve upon that person a written Warning Notice, specifying the particular violation believed to have occurred and requesting the discharger to immediately investigate the matter and to seek a resolution whereby any offending discharge will cease. Investigation and/or resolution of the matter in response to the Warning Notice in no way relieves the alleged violator of liability for any violations occurring before or after receipt of the Warning Notice.

### **10.3. Suspension of MS4 Access.**

#### **10.3.1. Emergency Cease and Desist Orders.**

When the Town of Sandown finds that any person has violated, or continues to violate, any provision of this Ordinance, or any order issued hereunder, or that the person's past violations are likely to recur, and that the person's violation(s) has (have) caused or contributed to an actual or threatened discharge to the MS4 or Waters of the United States which reasonably appears to present an imminent or substantial endangerment to the health or welfare of persons or to the environment, the Town may issue an order to the violator directing it immediately to cease and desist all such violations.

#### **10.3.2. Suspension Due to Illicit Discharges in Emergency Situations.**

The Town of Sandown may, without prior notice, suspend MS4 discharge access to a person when such suspension is necessary to stop an actual or threatened discharge which presents or may present imminent and substantial danger to the environment, or to the health or welfare of persons, or to the MS4 or Waters of the United States. If the violator fails to comply with a suspension order issued in an emergency, the Town may take such steps as deemed necessary to prevent or minimize damage to the MS4 or Waters of the United States, or to minimize danger to persons.

#### **10.3.3. Suspension Due to the Detection of Illicit Discharge.**

Any person discharging to the MS4 in violation of this Ordinance may have their MS4 access terminated if such termination would abate or reduce an illicit discharge. The Town of Sandown will notify a violator of the proposed termination of its MS4 access. The violator may petition the Board of Selectmen for a reconsideration and hearing.

A person commits an offense if the person reinstates MS4 access to premises terminated pursuant to this Section, without the prior approval of the Town of Sandown.

Proposed Budget

Sandown

For the period beginning January 1, 2019 and ending December 31, 2019

## GARDEN CLUB

# OLD HOME DAYS

# CONSERVATION

## RECREATION

## **TOWN ADMINISTRATION REPORT**

Selectmen Stephen Brown, Thomas Tombarello and Bruce Cleveland were the returning Board members for this year. Jonathan Goldman was reelected for a 1-year term and Darren Hudgins was elected for a 3-year term.

### **TOWN BUILDING MAINTENANCE PROJECTS**

The most significant building maintenance projects in 2018 were a new roof installed on the Main Fire Station and a long-awaited generator at Town Hall.

Other annual maintenance projects included furnace cleanouts in each building, septic pumping, water filtration system maintenance and regular upkeep to the grounds. A special thank you to the Sandown Garden Club for keeping the Town Hall, Library and Train Depot gardens blooming beautifully.

### **ROADWAY IMPROVEMENTS**

The 2018 Roadway Improvement Plan was funded by the voters this year.

This year's plan included the reconstruction of Reed Road. Reed Road was scheduled to receive a shim and overlay resurfacing in the 2008 Sandown Road System Action Plan, however, over the course of the last nine years the road has deteriorated to the point that resurfacing is no longer appropriate. Full reconstruction is now required.

Like Reed Road, Sargent Road was also scheduled to receive a shim and overlay resurfacing in the 2008 plan, however, other projects took precedent over Sargent. This road was broken into two (2) segments since the condition of one end of the road was much better than the other. It was decided the poor section of Sargent Road would be reclaimed with new gravel and some culvert work.

Work on these roadways began in the fall, however, the rainy season made it difficult to complete the projects. A decision was made to postpone the balance of work until the Spring, 2019.

### **ACCEPTANCE OF TOWN ROADS**

There were no new roads accepted by the Board of Selectmen in 2018, however the board addressed a NH 9-1-1 recommendation to rename the Showell Pond Road area. In an effort to eliminate confusion, the board worked with residents, Fire Chief Tapley and 9-1-1 liaisons to renumber and rename the area. Showell Pond Circle was renamed Eureka Circle and Showell Pond Road renumbered.

## COMMUNITY

As reported last year, the Environmental Protection Agency (EPA) issued updates to the NH MS-4 Storm Water Permit in January 2017.

Sandown was awarded a grant through Rockingham Planning Commission to assist the town in managing the details of the permit and required deadlines. RPC assisted us with the creation of the Notice of Intent and worked with departments to better understand future obligations and requirements. Much of 2019 will be spent working with the town engineer and department heads developing policies and other elements of MS4 first year compliance.

The Selectmen were approached with an offer to sell town-owned properties 10 & 12 Birch Drive. As required by law, this sale was presented to both the Planning Board and Conservation Commission for their recommendations. The Planning Board recommended merging the lots together reducing the risk of 2 undersized lots possibly getting developed in the future. The board agreed. Two public hearings were held, and a final vote was taken to sell the property.

Once again, the board would like to thank all those who volunteer as committee members and in various capacities throughout town. We also thank the employees for all they do every day. The dedication given by volunteers and employees is experienced by all residents of Sandown. As 2018 comes to an end we encourage members of the community to be involved and continue to make Sandown one of the best places to live.

We look forward to proudly representing Sandown in 2019.

Respectfully submitted,

Sandown Board of Selectmen and Town Administrator

## ASSESSOR'S ANNUAL REPORT for 2018

The firm of Municipal Resources (MRI) continues to be contracted to handle the assessing functions for the Town of Sandown. The primary members of the staff working in Town are, Scott Marsh, Michael Pelletier and Dan Scalzo. Additional staff members may be assisting. The Board requests that if any of the appraisers come to your property, you support the Town's efforts to keep assessments equitable and proper by answering their questions as well as allowing them to verify the data of your property.

Municipal Resources personnel are available to meet with taxpayers and if an appointment is desired, the Town's Office staff can schedule one for you.

The past year saw the assessing office handle 3 individual abatement requests. There were also roughly 175 properties reviewed due to taxpayer inquiries, issued building permits, incomplete status of prior year permits and/or site changes. In addition, the Town completed a revaluation for the 2018 tax year as was required which accounted for the Town's 2018 total taxable assessment increasing by roughly \$130,400,000.

A preliminary analysis of the annual DRA's equalization sales survey has been completed and the Town's overall median assessment ratio as of April 1, 2018 is expected to be roughly 94%.

### PROPERTY TAX RATES - TAX YEARS 2010 - 2018

YR	Town	County	Local Educat	State Educat	Total
2010	\$3.75	\$0.95	\$13.42	\$2.26	\$20.38
2011	\$3.87	\$0.90	\$13.81	\$2.17	\$20.75

--	--

## Budget Committee Annual Report

This year the budget committee met to review and make recommendations to forty-four budgets and nineteen warrant articles for the voters of Sandown to review at the deliberative session. Meetings were held on Wednesday nights at 6:30 pm between October 2018 and January 2019.

Officially, the town's Budget Committee's purpose is "*to assist its voters in the prudent appropriation of public funds.*" This is accomplished by reviewing budget requests for the upcoming year, analyzing revenue, expenditures and trends throughout prior years, and working with department heads towards their goals while ensuring that the budget is affordable. I believe the committee has met this goal to the best of its abilities and hope you will agree.

After the public hearing, **the Budget Committee's 2019 budget proposal is \$4,299,746 which is a 6.11% increase over the previous year.** The proposed budget is \$241,303 higher than the default budget of \$4,058,443. The default budget is arrived at by taking the approved budget last year plus or minus contractual differences, mandatory expenses, and one-time expenditures. The key drivers in the 2019 budget increase are employee benefits and an increase in the highway and recycling budgets, that have been underfunded for the past several years. The hope of the Budget Committee is that these budgets are funded as needed over the next few years.

Funding of the operating budget, which includes the local school district, is accomplished through taxation of property. Allocation of funds raised through taxation in 2018 were as follows:

2018 tax rate per \$1000:

Municipal (town operating):	\$4.26	16.05%
County:	\$1.00	3.77%
School:	\$19.16	72.19%
State:	\$2.12	7.99%
Total:	\$26.54	100%

It takes many people (department heads, Selectmen, administrative staff, and others) working together to arrive at a fiscally responsible budget proposal. I would like to thank all budget committee members and department heads for working together this year to present a reasonable budget to the voters. This was not an easy task as we are currently in a default budget. The committee would also like to thank Chris Donnellan, Lynne Blaisdell, Paula Gulla, and Finance Director, Cheryl Eastman for their support throughout budget season.

Respectfully submitted,

Sue Reynolds  
Sandown Budget Committee Chair

## 2018 TAX RATE (\$26.54/THOUSAND) BREAKDOWN

Per Thousand Cost

### Sandown NH Tax rates 2004 - 2018

\* Town Wide Revaluation

Robert Bogosh, Building Inspector

## **TOWN OF SANDOWN, NH**

603-867-6085  
Fax# 603-887-5163**

### **Building Department / Code Enforcement Report**

It is truly hard to believe another year has gone by, having been the Building Inspector for 7 years now. The years seem to be going by faster. Permit wise, there were not many changes from year to year, with the number of permits remaining pretty consistent.

There were (148) permits written in 2018 compared to (158) in 2016 and (157) in 2017. New home permits for 2018 totaled (14) which was the same as last year.

Garages	5 permits
Small additions	3 permits
Accessory Apartments	2 permits
Pools	3 permits

The remaining permits were issued for decks, sheds, roofing and siding, replacement doors, windows, etc.

The other major permits issued were for 5 buildings consisting of (22) town house style apartments being constructed in town.

At this point, there are no other major projects on the horizon.

I would like to express my gratitude to my fellow inspectors and the great staff at the Town Hall, who help make my job easier.

Respectfully,

Robert Bogosh  
Building Inspector/Code Enforcement Officer

## Sandown Cable Access Board - Annual Report

[Channel17@sandown.us](mailto:Channel17@sandown.us) // (603) 887-0017

Channel 17 continues to increase its coverage of town meetings and events. Residents can also find a variety of our programs both from our video server and on our Video on Demand service. The links can be found on our page through the town's web site.

Channel 17 aired many of the events that occurred in Sandown in 2018 including:

- Deliberative Session
- Memorial Day observance
- Old Home Days Fall Festival
- Animals With Bad Reputations
- Sandown Conservation Commission's Fishing Derby
- Jerry LaChance Reception
- Sandown 60+ Club Events
- Town Hall Tree Lighting
- Meet The Candidates

During 2018 we installed new remote control cameras for town meetings. The cameras we replaced were the original cameras installed more than 10 years ago. The new cameras are a significant upgrade in signal quality, will be compatible with current technology and are the first phase of improving the look of our channel. Next steps include replacing original Comcast wiring and equipment that is also seriously out of date.

On the programming front, Channel 17 has begun working with the library on recording Story Time this year with the support of the library director. There are plans to make this show more frequent as we move forward. As well as to cover more library events. We have also covered several events for the Sandown 60+ Club and provided live coverage of the town's new Heritage Commission.

The residents of Sandown have the opportunity to produce programming in Sandown and we want to help. If you have any programming ideas or want to become involved, please contact us at [channel17@sandown.us](mailto:channel17@sandown.us). We have equipment available and will provide training in its use.

The Cable Access Board continues to look for new members. Individuals interested in being involved are encouraged to contact Channel 17. We meet the 4<sup>th</sup> Tuesday of every month.

Respectfully submitted,

*Cable Access Board:* Richard Lewis (Chair)  
Chris Donnellan (Station Manager),  
*Ex Officio:* Tom Tombarello

# **CONSERVATION COMMISSION REPORT**

The year 2018 proved to be an event filled one for the Sandown Conservation Commission. Commission members offered the community several different activities for the young and old to enjoy.

On January 29<sup>th</sup> the Sandown Conservation Commission held a Winter Wonderland Scavenger Hunt. There were 15 brave participants in the Fremont Town Forest for their first Winter Scavenger Hunt.

The Conservation Commission put on their yearly Moonlight Valentines Snowshoe Promenade complete with a bonfire, warm drinks, and hiking under the full moon. This year the Sandown Police Explorers sold baked goods. The hike was held on February 11<sup>th</sup> and was enjoyed by over 30 snow shoe clad people.

This past April, The Conservation Commission celebrated Earth Day with a visit to Playmates Learning Center. We brought with us a “Trash Fishing” activity that taught children the value of recycling and why it is important to keep from littering. More than 30 children participated in the activity.

On April 22<sup>nd</sup> Mr. Sands held a Earth Day/ Geocaching cleanup event on the Odell Road Town forest trails. Many volunteers showed up to help clean up the trails from the winter and clearing any fallen trees along with remarking a few of the trails.

The Commission sponsored the Community Garden again this year and had almost every plot filled by enthusiastic gardeners. The garden is open from Memorial Day through mid-October. It is an organic garden. If you are interested in having a plot, contact the Conservation Commission in early May to reserve your spot.

The Sandown Conservation Commission’s Annual Kid’s Fishing Derby was held on Saturday, April 28<sup>th</sup>, at Sal’s pond. There were 99 children in attendance, ranging in age from 2-15. A total of 70 fish were caught! The SCC loves to host this fun, family event every year, and especially enjoy seeing children have fun and appreciate the great outdoors! Special thanks to: Sal Genuardo, who allowed us to hold the Derby at his pond for the 19<sup>th</sup> year in a row, TD Bank, sponsored the event and provided 100 t-shirts for the event, and to the many local businesses that donated prizes.

The Conservation Commission also purchased the Ross Property. Identified as Sandown Tac Map 13, Lot 21. This property is located by the Wells Village Town Forest. The Conservation Commission also had the SCA come in and build two water crossings to connect the Ross Property to the Town Forest.

The Conservation Commission replaced the Liberty Tree in the center of town. The Liberty Tree was planted on the 250<sup>th</sup> anniversary of the Town. The Commission decided to replace the Liberty Tree with a Princeton Elm a hardier and native tree of New Hampshire.

On September 29<sup>th</sup> the Commission held Animal with a bad Reputation Event at the Town Hall. The Squam Lakes Science Center did the presentation.

Commission members had a booth again at this year’s Old Homes Day event. They handed out 50 t-shirts and engaged with well over 100 people regarding many conservation and wildlife subjects.

The Commission was presented with a Conditional Use Permit submitted by Eversource for temporary wetlands impacted required for the proposed H 141 Line Structure Replacement Project. The proposed impact is in various locations in Sandown. Eversource is replacing 6 wooden poles damaged by woodpeckers and replacing them with steel poles.

The month of October brought back Sandown Conservation Commission's "Walktober" for a third year. Walktober is an exciting series, spanning the month of October, of family-friendly guided hikes with knowledgeable speakers in a variety of fields. This year's event included four walks. On October 7<sup>th</sup> Ross Huntington lead a Mushroom Identification walk through the Fremont Road Town Forest. On October 13<sup>th</sup>, Wetland and Soil Scientist Bruce Gilday lead the Champion Trees of New Hampshire event. On October 21<sup>st</sup> SCC members and several of our neighbors enjoyed a Historical Walk with Arlene Bassett that started at the Old Meeting House and ended at the Train Depot. On October 27<sup>th</sup> Wells Village Trail Planning with Mark Traeger.

The Sandown Conservation Commission would like to thank Bruce Gilday the Environmental Consultant for the Town for all his hard work in keeping the Commission up to date on the ever-changing wetland rules. The Conservation Commission will also be starting work on a Natural Resource Inventory. Mr. Gilday has been a great aspect in getting that put together. Mr. Gilday also reviews any Dredge and Fill Application and Conditional Use Permits and provides the Board with his professional advice.

The Sandown Conservation Commission would like to thank Katie Palladino for her service to the Commission and wish her luck on her new adventures. The Sandown Conservation Commission would also like to welcome two new members Nicholas Ortins who will be taking over the position Ms. Palladino had and his wife Christy Ducharme as an alternate.

The Conservation Commission continues to exist and do meaningful work because of the community support it receives. If you are interested in getting involved with the preservation of Sandown's natural resources, contact us at [mtapley@sandown.us](mailto:mtapley@sandown.us). You can also find us on Facebook at *Sandown Conservation Commission*.

Respectfully submitted by the Sandown Conservation Commission,

Paul Carey – Chairman  
Brian Butler – Vice Chairman  
Pamela Gaudreau  
Mark Traeger- Alternate  
Kevin Major- Alternate  
Thomas Sands  
Terry Knuuttunen  
Jillian Winmill  
Katie Palladino

## 2018 Annual Report Exeter-Squamscott River Local Advisory Committee

[www.exeterriver.org](http://www.exeterriver.org)

The Exeter-Squamscott River is enrolled in the New Hampshire Rivers Management and Protection Program, a unique partnership between citizens, towns, and state government designed to promote and protect the river's outstanding natural and cultural resources. Established in 1996, the Exeter-Squamscott River Local Advisory Committee (ESRLAC) is comprised of citizen volunteers living in towns in the watershed, vested in working together to protect water quality, water quantity, wildlife habitat and recreational opportunities. The Exeter-Squamscott River is one river with two names, reflecting the fresh water (Exeter River) and salt water (Squamscott River) portions of this major tributary to Great Bay.

### ESRLAC Representatives:

Brentwood:	Robert Glowacky Emily Schmalzer Eric Turer
Chester:	Vacant
Danville:	Vacant
East Kingston:	Vacant
Exeter:	Donald Clement David O'Hearn
Fremont:	Ellen Douglas John Roderick
Kensington:	Vacant
Kingston:	Evelyn Nathan
Newfields:	William Meserve
Raymond:	Vacant
Sandown:	Mark Traeger
Stratham:	Nathan Merrill

2018 marked ESRLAC's 22<sup>nd</sup> year of acting "for the good of the river". The Committee continued to review proposals for land development along the river, providing information and analysis to landowners, developers, local boards and state agencies. ESRLAC reviews all plans closely to identify and recommend ways in which natural resources in and alongside the river may be protected through stormwater management and other conservation minded development practices. ESRLAC also advocates for access and use of the river and the Committee's 2019 workplan includes sharing information from recreational users of the river.

ESRLAC seeks members from all communities in the watershed. If you are a resident of Chester, Raymond, Fremont, Sandown, Danville, Kingston, East Kingston, Brentwood, Kensington, Exeter, Stratham, or Newfields and are interested in joining ESRLAC, please call the Rockingham Planning Commission at 603-778-0885 for more information.

# **FIRE DEPARTMENT**

**TOWN OF SANDOWN**

**PO BOX 1756, SANDOWN, N.H. 03873**

**The Sandown Fire Department would like to report that during the past year the number of calls was just over 500. Please have your chimneys cleaned at least once a year and make sure your address is visible from the road. Smoke detector batteries should be changed every 6 months, smoke detectors have a life span of only 10 years. Carbon monoxide detectors only have a life span of approximately 5 years unless otherwise stated on the package. If yours are older they should be changed.**

**Last year along with the towns of Chester and Auburn, we hired Erin Newnan to help us obtain a regional federal grant for the three towns. We were approved for all new S.C.B.A.s (Self Contained Breathing Apparatus) for interior firefighting. The cost for our town was about \$10,000 dollars for \$200,000 dollars' worth of equipment.**

**Six years ago, we started a capital reserve fund for the purchase of fire apparatus and major firefighting equipment. The capital reserve fund has really been a positive and pro-active step for our town. Had we not started saving funds we would not have been able to accept Federal Grants because we would not have had the town's portion of the matching funds.**

**This year we are replacing our 24-year-old ambulance. Unfortunately, we were unable to acquire a grant for the new ambulance, however the capital reserve fund is making this purchase possible. Thank you for your forward thinking.**

**The more than forty members, both Firefighters and EMT's taking time away from their families and donating their time to the Volunteer Fire Department is a great asset to this town and is something we are very proud of.**

**Thank you for all your help and support.**

**Respectfully submitted**

**Wilfred A. Tapley  
Fire Chief  
Forest Fire Warden  
Emergency Management Director**

# Report of Forest Fire Warden and State Forest Ranger

This past year we were fortunate enough to have favorable weather conditions in the spring and summer which limited the amount of wildfire activity throughout the state. Your local fire departments and the Division of Forests & Lands worked throughout the year to protect homes and the forests. The statewide system of 16 fire lookout towers continues to operate on high fire danger days. Our fire lookouts are credited with keeping many fires small due to their quick and accurate spotting capabilities. The towers' fire detection efforts were supplemented by the NH Civil Air Patrol when the fire danger was especially high.

Many homes in New Hampshire are located in the wildland urban interface, which is the area where homes and flammable wildland fuels intermix. Several of the fires during the 2018 season threatened structures and one structure was destroyed, a constant reminder that wildfires burn more than just trees. Homeowners should take measures to prevent a wildfire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at [www.firewise.org](http://www.firewise.org). Please help Smokey Bear, your local fire department, and the state's Forest Rangers by being fire wise and fire safe!

In 2019, we will be recognizing Smokey Bear's 75<sup>th</sup> birthday! Dressed in a ranger's hat, belted blue jeans, and carrying a shovel, he has been the recognized wildfire prevention symbol since 1944. The NH Forest Protection Bureau and local fire departments will be celebrating Smokey Bear's 75 years of wildfire prevention throughout the year. Smokey's message has always been about personal responsibility – remember his ABC's: Always Be Careful with fire. If you start a fire, put it out when you are done. **“Remember, Only You Can Prevent Wildfires!”**

As we prepare for the 2019 fire season, please remember to contact your local Forest Fire Warden or Fire Department to determine if a fire permit is required before doing ANY outside burning. Under State law (RSA 227-L:17) a fire permit is required for all outside burning, unless the ground is completely covered with snow. Fire permits are also available online in most towns and may be obtained by visiting [www.NHfirepermit.com](http://www.NHfirepermit.com). The burning of household waste is prohibited by the Air Resources Division of the Department of Environmental Services (DES). You are encouraged to contact the local fire department or DES at 603-271-3503 or [www.des.nh.gov](http://www.des.nh.gov) for more information. Safe open burning requires your diligence and responsibility. Thank you for helping us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2214, or online at [www.nhdf.org](http://www.nhdf.org).

## 2018 WILDLAND FIRE STATISTICS

(All fires reported as of December 2018)

\* Unpermitted fires which escape control are considered Wildfires.

Year	Number of Wildfires	Wildfire Acres Burned	Number of Unpermitted Fires*
2018	53	46	91
2017	65	134	100
2016	351	1090	159
2015	143	665	180
2014	112	72	53

## CAUSES OF FIRES REPORTED

# **2018 Annual Report of the Southeastern New Hampshire Hazardous Materials Mutual Aid District**

**Bruce Breton  
Selectman, Windham  
Chairman, Board of Directors**

**Chief Thomas McPherson, Jr.  
Windham Fire Department  
Chairman, Operations Committee**

## **About the District:**

The Southeastern New Hampshire Hazardous Materials Mutual Aid District's membership is comprised of 14 communities, covering approximately 350 square miles with a population of over 175,000 people. The District was formed in 1993 to develop a regional approach for dealing with the increasing amounts of hazardous materials being used and transported within these communities.

The District draws its funding from an annual assessment from each community as well as from grants and donations. The FY 2019 operating budget for the District was \$128,880. Additionally, in 2018 the District applied for and received federal grants for equipment, training, and operational expenses totaling \$45,076. The Fire Chiefs from each member community make-up the Operations Committee of the District. The Operations Committee is overseen by a Board of Directors consisting of elected representatives from each community. It is the Board of Directors who approves the budget and any changes to the bylaws of the District. The Executive Board of the Operations Committee, which consists of the Chairman, Vice-Chairman, Treasurer, Technician Team Liaison, and one Member at Large, manages the operations of the District within the approved budget. The District employs a part-time REPC Director to manage the administrative functions of the District, including but not limited to, grants management, financial management, and emergency planning.

## **District Facility**

The District maintains a facility in Windham that provides space to house several of its response vehicles and trailers, as well as provide office and meeting space for the REPC Director. In addition, the District is able to utilize the facility for monthly training for the Emergency Response Team.

### **The Emergency Response Team:**

The District operates a Technical Emergency Response Team. This Response Team is overseen by one of the member community's Chief Fire Officer who serves in the Technical Team Liaison position. The Team maintains a three level readiness response posture to permit it to immediately deploy an appropriate response to a District community's request for help involving an unplanned release of potentially dangerous chemicals within their jurisdiction. While the Team primarily prepares for response to unplanned accidental chemical releases it is also equipped and trained to deal with a variety of Weapons of Mass Destruction (WMD) scenarios. The team maintains a host of specialized response equipment to deal with chemical and environmental emergencies.

The Emergency Response Team is made up of 27 members drawn from the ranks of the fire departments within the District. The Team consists of 5 Technician Team Leaders, 17 Hazardous Materials Technicians, 2 Communication Specialists, 1 Information Technology Specialist and 2 Support Specialists. In addition to these personnel, the team also includes an industrial chemist from a local industry.

### **District Resources**

The Team maintains a fleet of vehicles and specialized equipment with a value of approximately \$1,000,000. The vehicles consist of a Mobile Command Support Unit, two Response Trucks, three Spill Trailers, a Technician Trailer, an Operations/Spill Trailer and a Firefighting Foam Trailer. In 2018 the District added an Air Supply Trailer that was acquired at no cost through the federal surplus equipment program. This trailer provides the capability of on scene refilling of breathing air tanks for both the hazardous materials team and member fire departments. This trailer is housed at Chester Fire Department.

These mobile apparatus carry the team's equipment which includes chemical detection and identification instruments, containment supplies, plugging, patching and intervention supplies, communication equipment, computer based and other chemical reference guides as well as chemical protective equipment. The Command Support Unit and one Response Truck along with the Technician Trailer are housed in our Windham facility, while spill trailers are located in Derry, Sandown and Plaistow, allowing for rapid deployment. The Foam Trailer is housed by Salem Fire. Activation of the team is made at the request of the local Incident Commander through the Derry Fire Department Dispatch Center.

The second Response Truck, which serves as a firefighter rehabilitation unit is also housed at our Windham facility. This unit is available to our member departments and is equipped with refrigerated cases of water and sports drinks and has the ability to serve hot beverages. The truck is also equipped with a heated inflatable shelter to provide first responders with a place to get out of the weather. In order to remove carcinogens from firefighters as soon as possible this truck is also equipped with garden hoses, soap and brushes to assist with the decontamination of fire fighters at the scene. Staffing of this vehicle is done by a team of dedicated volunteers recruited from some of the District's fire departments.

### **Response Team Training**

In 2018 the Emergency Response Team completed 742 hours of training consisting of monthly training drills and specialized classes attended by team members. These specialized classes included Propane Gas Emergencies, FBI WMD briefing and Compressed Natural Gas Tankers. Several Team members attended the New Hampshire Hazardous Materials Training Conference. Funding provided through a Hazardous Materials Preparedness Grant allowed for four Team Leaders to attend the International Association of Fire Chiefs Hazardous Materials Teams Conference.

### **Emergency Responses**

In 2018 the Hazardous Materials Team responded to 17 incidents. These included spill trailer responses for hydrocarbon fuel spills from motor vehicle crashes involving tanker trucks and fuel spills in lakes. Other responses included identifying unknown substances and suspicious packages, as well as requests for technical assistance for member departments where a Response Team Leader provided consultation to the fire department on the handling of an incident.

The REHAB team responded to 20 incidents including fire scenes and large scale training events.

For further information about the Southeastern New Hampshire Hazardous Materials District please visit our website at [www.senhazmat.org](http://www.senhazmat.org)

## HEALTH DEPARTMENT

The most critical health issue in New Hampshire is the high rate of opioid-related overdose deaths. There were 330 drug deaths from 1/1/2018 -12/7/2018. Almost half these deaths were from fentanyl. The NH Department of Health and Human Services has created a model called “The Doorway-NH”, which will provide a single point of entry for residents seeking treatment for Substance Abuse Disorder and will offer a full array of treatment, recovery and self-sufficiency services.

The Doorways will serve as the “hub” in the “hub and spoke” model, working with local providers (“spokes”) to implement regional approaches to the opioid crisis. The federal funding is being used to establish the Doorways, and will expand medication-assisted treatment services, peer recovery supports services, access to recovery housing, evidence-based prevention programs, workforce opportunities, and training and education for providers and people in recovery. Existing SUD supports and services will also be expanded to increase access for pregnant women and new parents with an opioid use disorder, children and families involved with child welfare and individuals in correctional institutions.

The Health Agent continues to monitor home septic systems and reminds residents to ask their septic system disposal provider for a report on the health of the septic system and to check the baffles in their septic tank to make sure that it is intact. Dependent on usage, a septic system might need to be pumped every year or every other year.

The NH Department of Environmental Services suggests ways to help you maintain your septic system:

1. Know the location of your septic system and leaching area. The Sandown Town Office has many plans on file in the respective property files.
2. If you are installing a water softening system, your septic system must be sized adequately to handle the extra volume of water.
3. Do not flush toxic materials such as paint thinner, pesticides, or chlorine into your system as they may kill the good bacteria in your tank.
4. Do not flush bulky items such as throw away diapers or sanitary pads into your system.
5. Keep heavy vehicles from driving or parking on your leaching area.
6. Keep deep rooted trees and shrubs from growing on your leaching area.

All new wells have water tests completed by the well installer to ensure there is no harmful bacteria present. Residents are encouraged but not required to test their well for water quality annually. Free kits for testing your well water are available at the Sandown Town Hall and homeowners can bring the water kit to a certified testing facility of their choice.

Winter time is a time to prepare for emergencies such as electric outages. One of the most important safety rules during an outage is not to operate a generator in your garage or home and do not operate it close to the outside of your dwelling unit. Carbon monoxide detectors would help reduce this problem.

Flu shots for all residents, and particularly the young and elderly, is highly recommended as a preventative measure.

The Town of Sandown is diligent in monitoring for Eastern Equine Encephalitis (EEE) each year with several test sites and spraying is carried out when necessary. To avoid being bitten by the mosquitoes that transmit EEE:

- If possible, stay inside between dusk and dark, when mosquitoes are most active.
- When outside between dusk and dark, wear long pants and long-sleeved shirts.
- Use an insect repellent with DEET according to manufacturer’s directions when outside.
- Put screens on windows and make sure they do not have holes.
- Eliminate standing water from your property.

If residents have any concerns around health issues in their home or neighborhood, please contact the Selectman’s office or Eddie Mencis at 603 770-5479.

Respectfully Submitted,

Edward L. Mencis  
Health Officer

## TOWN OF SANDOWN MOSQUITO CONTROL

The 2018 mosquito season began with extremely dry conditions throughout the state. July and August saw enough rain to bring southern New Hampshire back to the normal range. Increased rainfall continued through September. Warm temperatures and humidity this summer provided mosquitoes near perfect conditions. Mosquito populations rebounded from the below normal levels in previous years.

After three quiet seasons, disease activity is on the rise again. Jamestown Canyon Virus was confirmed in one New Hampshire resident. West Nile Virus (WNV) was the main disease carried by mosquitoes this year. Four WNV animal cases have been identified. New Hampshire Department of Health and Human Services issued a public health threat declaration in the southern part of the State for WNV and Eastern Equine Encephalitis (EEE) which included Sandown. Thirty-two WNV positive mosquito batches were discovered in 14 communities. Eastern Equine Encephalitis was found in six batches in four communities. There were no human cases of WNV or EEE in New Hampshire this season.

Adult mosquitoes were monitored at four locations throughout town. Over 10,000 were collected in traps, identified to species and select species were sent to the State Lab in Concord where they were tested for disease. One batch of mosquitoes tested positive for WNV and one for EEE from Sandown in 2018. Dragon has identified 169 larval mosquito habitats in town. Crews checked larval habitats 310 times during the season. There were 102 treatments to eliminate mosquito larvae. In addition, 281 catch basins treatments were made to combat disease carrying mosquitoes. Emergency spraying for adult mosquitoes was conducted in high use areas.

The recommended 2019 Mosquito Control plan for Sandown includes trapping mosquitoes for disease testing, sampling wetlands for larval mosquito activity, larviciding where mosquito larvae are found, efficacy monitoring, and emergency spraying when a public health threat exists. Field work aspects of the control program begin in April when mosquito larvae are found in stagnant water such as red maple and cedar swamps, woodland pools and other wetland areas. Trapping and testing adult mosquitoes begins in July. The mosquito control program ends in October when temperatures drop and daylight hours decline.

Homeowners can reduce the number of mosquitoes by checking their property for standing water each week during the season. The Centers for Disease Control and Prevention (CDC) recommends residents empty and scrub, turn over, cover, or throw out items that hold water, such as tires, buckets, planters, toys, pools, birdbaths, flowerpots, or trash containers. Personal protection remains the number one way to avoid mosquito borne illness. Up to date information is available on the CDC website at: <https://www.cdc.gov/westnile/prevention/index.html>.

Residents who do not want their wetlands treated may use our No-Spray Registry online at [www.dragonmosquito.com/no-spray-registry](http://www.dragonmosquito.com/no-spray-registry) or write to Dragon Mosquito Control, P.O. Box 46, Stratham, NH 03885. Be sure to include your name, physical address, phone number, the color of your house and the amount of acreage you own. Anyone who submitted a request in 2018 must contact the office to reaffirm your request. To keep our records current, we need to hear from you each year. Inquiries may be emailed to [help@dragonmosquito.com](mailto:help@dragonmosquito.com) or you may call the office with questions at 734-4144.

Respectfully submitted,  
Dragon Mosquito Control

## **Sandown Heritage Commission Annual Report 2018**

The Sandown Heritage Commission is pleased to submit its first ever official annual report for the year 2018.

Newly established this year, after the town voted to pass the Citizen's Petitioned Warrant Articles #18 and #19, to establish a Heritage Commission and Heritage Fund respectively. Members were appointed by the Board of Selectman on August 27, 2018 and the first meeting was held on September 20, 2018. Members quickly established a regular meeting schedule to be held the first Thursday of every month, and in the three subsequent meetings before the year's end, the commission has been very busy getting operations and projects underway.

The Heritage Commission does not currently have an operating budget. The commission will have to rely on donations, grants and fundraising to fund its operation and carry out its objectives. To that end, the commission is planning to host community activities and future events to raise funds for its projects as well as operating expenses.

The commission quickly established its mission statement, rules and operating procedures and elected officers. It also initiated a list of projects and goals to begin serving its purpose for the town. Some of the projects include:

- 1) The Red Barn project - The commission applied for and secured a grant from the state Preservation Alliance to assess the red barn, which is owned by the town (Sandown Conservation Commission). The barn is currently used by several town organizations, mainly for storage, but the Heritage Commission would like to find out if the barn could be placed on the National Registry of Historic Places, and perhaps explore additional use beyond storage. The assessment will help establish the historical value or significance and what repairs or improvements it may need.
- 2) Video Interviews - As a window in time, the Commission, partnering with Chris Donnellan and Sandown Cable, wants to preserve for posterity many of the colorful tales told by some of the more 'vintage' members of our community. Some of the best stories come from the elders of our community and we are working to compile some of those that have already been recorded, record more and make them available for the entire community to enjoy.
- 3) Ancient Stone Structures- Sandown has many ancient man-made stone structures that pre date those constructed during the establishment of early colonial life. Some of the structures may be as old as five to seven thousand years, comparable to the stone structure worldwide like both Britain's and America's Stonehenge, Ireland's New Grange, and the Mayan Pyramids in Georgia. The commission has been investigating, recording locations and photographing these structures in hopes to get them identified, and perhaps even learn who built them, when they were constructed and for what purposes. We may discover even more Sandown history than is currently written in our his-

tory books. The state archeologists and other experts in the field have seen a number of our sites and concur they are indeed ancient man-made structures are worth investigating.

4) The Old Meeting House and Depot- The Commission is working with members of the Sandown Historical Society and the Trustees of the Old Meeting House, two of Sandown's most unique and treasured historic structures, to raise funds for much needed repairs to both. Both amazing town buildings are on the National Registry of Historic Places and are extraordinarily unique.

In summary, the Heritage Commission was created to serve the town, its residents and its organizations. Its mission is to identify, investigate, protect and preserve our rich historical resources; those people, places and things in Sandown that embody the character, culture and traditions handed down for generations to all of us who now reside in Sandown. The Commission also endeavors to educate the public about the importance of our rich history, raise awareness about new and yet to be discovered historical resources, and to engage residents to explore the town's history. One of the Commissions duties is to make recommendations for preservation of the town's historic structures, sites and structures. The Commission may also assist other boards, like the Planning Board, with matters that involve the town's historic resources, such as updating the Master Plan.

The Sandown Heritage Commission is very excited to continue serving Sandown in the coming year, which will be our first full year serving Sandown.

Respectfully Submitted,

Pamela M Gaudreau, Chair

## **TOWN OF SANDOWN, NH**

**Highway/Sanitation Department  
320 Main Street/P.O. Box 1756  
Sandown, NH 03873  
603-887-3484  
Fax# 603-887-5163**

The Sandown Highway Department accomplished another phase of the road improvement plan. Even though, we had a late start we were able to complete all the drainage work on both Sargent and Reed roads and both roads were topped with binder. This summer we will install the top coat and finish off all shoulder work.

Beginning in 2019, we are working on a new 5 year Road Improvement plan. The first phase involves reconstruction of Wells Village Road, from the Chester town line to Eagle Ridge Road and adding the top coat to Hale True Road.

I am asking you to continue to vote yes on the road program so we can continue to better our town.

As always, I want to say thank you to Keach-Nordstrom Associates for their hard work, also Busby Construction and as always, my employees. The weather has been making this job very interesting this past year.

Have a safe and happy 2019.

Respectfully submitted,

Arthur Genuardo

Public Works Director

The Sandown Public Library mission is to provide free access to materials and information, and provide programs for all ages to enhance their lifelong learning and love of reading. The Library Staff is dedicated to building a strong collection of materials, in a variety of formats, offering services needed, like public computer access, and a variety of educational and recreational programs.

We are continuing to move furniture and create more spaces for people to gather. There is now a small conference room for people who need a quiet place to study, and for small group gatherings. There is also a new Tween/Teen Zone area, dedicated with teen books and materials for them. We have made room upstairs to hold programs, so people with physical disabilities are able to attend. We have also added Sunday programs at 2:00pm to meet the needs of offering daytime programming.

The library started a new downloadable service for eBooks, audiobooks, movies and music called Hoopla Digital. Patrons are able to download up to 4 items each month. There is no waiting for any title – just click and borrow! We also began Curbside Pick-up Service, where patrons who have books waiting for them can call the library and a staff member will bring the materials out to their car. This has been popular during the bad weather, when there is a sleeping child or an animal they do not want to leave in the car.

We had a 50% increase in summer reading participation this year! There were 262 participants (ages 2-adult). The youth read for approximately 84,200 minutes and adults read 233 books! There were 96 programs with over 800 people attending. We also held Camp Dewey, a week-long, all-day camp for ages 6-10. Kids did science experiments, arts and crafts, reading and had lots of fun! We started a Pop-Up Library this summer in the parking lot. Each week had a different theme and people could stop by the tent, look at the books and check them out without ever entering the library. We anticipate expanding the Pop-Up Library in 2019 to reach more people in various spots around town.

This year, we have hired a new Youth Services Librarian, Adrienne Skora. She was a former trustee, and with her education and background, made the transition to be part of the library staff. Adrienne has created strong relationships with the school librarians in the Timberlane District and is offering programs for children, tweens and teens.

The Friends of the Sandown Library has continued to be a strong partnership with the library, providing financial support for programs, purchasing museum passes, and also buying a telescope for patrons to borrow.

The Library Trustees and Staff have started the process of developing a five-year Strategic Plan. They have met a couple of times to discuss the strengths and opportunities of the library and how to start planning for its future. A critical aspect of the Strategic Plan will be to involve the whole community and gather information about what they see as the priorities of service. In the coming year, 2019, there will be a survey developed and a community planning committee will be formed. We hope to engage the town departments, community organizations, local businesses and the schools, as well as residents in this process.

The library staff welcomes the opportunity to serve you in 2019. We hope you will come in and discover for yourself all the wonderful things the library has to offer!

Respectfully submitted,

Deb Hoadley,  
Director

# SANDOWN PLANNING BOARD

The Planning Board had a quiet 2018. The Board was led by Chairman, Ernest Brown; Vice Chairman, John White; and Secretary, Ed Mencis.

The Board saw a steady number of applications this year and their actions included:

- Conditional approval of an application submitted by Gary Barnes for an open space development, which proposes to create 44 single family building lots. The subject parcel is located on Wells Village Road and Lantern Lane identified as Map 9, Lot 14.
- Conditional approval of an application submitted by CMS Sullivan for a subdivision. The property is located at 11 Main Street and identified as Tax Map 25, Lot 74. The project proposes to consolidate land in Sandown and Danville (56.1 acres in total) and subdivide it into 12 single family residential building lots. The application proposes to utilize the 4.3 acres in Sandown for the frontage/access and one building lot with the remaining 11 lots being situated in Danville.
- Conditional approval of an application submitted by Nordic Lincoln Realty Trust for a minor (one new lot) subdivision and lot line adjustment. The subject parcel is located at 56 North Road, Tax Map 23, Lot 1.
- Conditional approval of an application for a Conditional Use Permit submitted by Eversource, pursuant to authority of Article I-Part B- Section 3 of the Sandown Zoning Ordinance, to permit a series of temporary wetland impacts required to provide access to and around six existing H 141-line structures scheduled for replacement. The cumulative area of temporary wetland impacts permitted under this application is estimated at 51,787 square feet.
- Conditional approval of an application submitted by Montana Realty Trust for a minor (one new lot) subdivision. The subject parcel is located on Pheasant Run Drive and Mallard Lane identified as Map 18, Lot 1-3.
- The Planning Board also approved a Voluntary Lot Merger application submitted by Thomas and Therese Stachulski for Sandown Tax Map 26, Lot 45 and Map 26, Lot 32, 50 Holts Point Road and 2 Beach Road. As a result of this approval, two existing parcels were merged to become a single parcel.
- The Planning Board also approved a Voluntary Lot Merger application submitted by The Board of Selectman for Sandown Tax Map 28, Lot 57 and Tax Map 28, Lot 58, 10 and 12 Birch Drive both where Town Owned Properties. The Planning Board suggested to merge the two lots before the Board of Selectman sell the properties to Mr. Richard Moussa.
- The Planning Board also voted to recommend Board of Selectmen approval of two applications for building permits, requested by Matthew and Jessica Manning and Mark Calledare respectively, for single family residential construction on Hersey Road, a Class VI Public Highway. The subject parcels are identified as Sandown Tax Map 12, Lot 3-3 and Map 12 Lot 8.

In 2017 the Town received a matching grant of \$2,000 to work with the Rockingham Planning Commission to properly address Sandown's requirements under the NPDES Small MS4 General Permit. As a result of the outcome of the effort the Planning Board advanced a warrant article to the 2019 Town Meeting ballot, which if approved, would amend the Zoning Ordinance to include an Illicit Discharge Detection and Elimination Ordinance. The purpose of the Illicit Discharge Detection and Elimination Ordinance is to provide for the health, safety and general welfare of the citizens of Sandown through the regulation of non-storm water discharges to the municipal storm drainage system to the maximum extent practicable.

During the course of 2018 the Planning Board thanked departing member Steve Finnegan for his service and welcomed Tricia Edris as an Alternate Board member.

Volunteers are always welcome and there are several opportunities within the Board to serve your community. The Board looks forward to a productive 2019.

Respectfully: Ernest Brown – Chairman; John White - Vice Chairman; Ed Mencis – Secretary; Steve Meisner; Doug Martin; Bruce Cleveland – Ex-Officio; Mark Traeger; Matt Russell – Alternate Member; and Tricia Edris – Alternate Member.

### **SANDOWN POLICE DEPARTMENT TOWN REPORT 2018**

**In 2018 I continued to focus on training and education for myself and my officers. We have both attended and sponsored various trainings to include other area police departments. As I have stated in the past that because we live in an ever changing world with crimes against society, unfortunately, seemingly to be on the increase, I place considerable attention on training my officers for any and all types of situations. Living in a small town does not exclude us from the possibility of experiencing all types of crime whether minor, major, or violent and tragic.**

**Sgt. Richard Buco and a committee of Sandown residents organized three different races, a 1k for children, a 5k and a 5 mile race with a committee he organized. This race was sponsored by the Sandown Police Department and our Explorer Program. The race took place in August and included prizes for the attendees. Another example of Sandown Police Department priding ourselves on community relations in positive and friendly ways.**

**We have two new additions to our work force, Officer Vincent Troisi and Officer Alexander Collins who joined us as graduates of the Police Standards and Training Part-time Officer Academy in January. Officer Collins was an active member of our Explorer Program for several years. Another Explorer, Rachael Payette will be starting the Police Academy in January of 2019.**

**Active Shooter Training was held once again at Sandown North School and Sandown T.L.C. to include all school staff members. Our Firearms Instructors, Officer Christopher Rothwell and Officer Stephen Winter played a major part in this training. All my officers were involved.**

**We remain sensitive to individual and families affected by the drug epidemic. Our open door policy still stands for those who wish to seek help, advice, information and assistance in dealing with this debilitating disease. Our permanent drug box is and has been a huge success; millions of pills have been collected and destroyed.**

**Sgt. Aurie Roy continues with the D.A.R.E program as well as being an active member of the So-Rock Coalition (Southern Rockingham Coalition for Healthy Youth). This year Sandown Police together with the SoRock Coalition sponsored the State of New Hampshire's first Support and Informational Group called (P.A.S.T.A.) "Parents Again a Second Time Around". P.A.S.T.A. is designed for grandparents and caregivers in the position of raising children again; another area the epidemic has impacted. Sgt. Roy is the Facilitator of the group which focuses on information, skills and resources on child development, discipline, guidance and rebuilding a family.**

**Lt. John Sable's computer expertise is an enormous benefit. He investigates identity fraud and computer crimes, not to mention he is our "in-house" IT expert. Lt. Sable has been with the department for nearly 20 years.**

**Sgt. Richard Buco and Officer Cole Dresser are Advisors for our Explorer Program which is a huge success. These Officers have increased the number of young people interested in law enforcement to join the program.**

**Joseph Gordon  
Chief of Police**

## Sandown Recreation Commission & Parks and Recreation Department

P.O. Box 642  
25 Pheasant Run Drive  
Sandown, NH 03873  
603-887-1872  
recreation@sandown.us

### Recreation Commission Members:

George Blaisdell, Chairman 2019  
John Donahue, 2021

Jessica Scarlett, 2021

Darren Hudgins, ex officio 2019  
Veronica Utman, 2020

The Recreation Commission, in accordance with 'RSA Chapter 35-B: Public Recreation and Parks', oversees the Parks and Recreation Department which maintains town owned recreational facilities and offers recreational activities for all ages. Maintained facilities encompass approximately 20 acres including baseball and softball fields; a public beach; outdoor basketball court; 2 playgrounds and a year-round recreation building that sits on approximately 8 acres and includes a 3-acre multi-purpose playing field and playground.

The Parks & Recreation Department had a busy 2018 with continued growth in its programs. Several new offerings throughout the year included cooking classes for pre-school children and elementary level students; playgroup for parents of the 'under 5' crowd; a First Aid and CPR course; and more. Continuing programs included a spring afterschool program offered to children in elementary school as well as vacation week activities during school breaks. A Certified Babysitter Course took place over the April school vacation break. The Summer Recreation Program, now approaching 25 years of continued operation, grew at a very rapid pace this past year. Participation increased by more than 21 percent and revenue by 14.5 percent helping to offset nearly the entire cost of the program. Participants in the program ran the annual Car Wash and Lemonade Stand and were able to raise more than \$1,000.00 for the Community Food Pantry with the help of many supporters.

In joint ventures with the recreation departments of Plaistow and Atkinson, participants enjoyed a Saint Patrick's Day celebration filled with Irish music; a special performance in September with "The Singing Trooper" who performed for seniors at Sandown Town Hall; and a Halloween performance with a Master Story Teller. The 3-towns joined together to ring in the New Year with a community afternoon event at the Performing Arts Center. Hundreds of people attended a performance by AudioBody with its exciting circus arts and music. A community trip to Newport, Rhode Island in November to view the mansions, decorated for Christmas, was sold out. Continuing classes that focus on physical wellness included Yoga; Senior Exercise; and Ballroom Dance lessons, all remaining popular and in demand. More than 100 seniors enjoyed a holiday meal and musical entertainment at Zorvino's Vineyard here in Sandown.

The Recreation Department has oversight of the town beach known as Seeley Beach. The department takes responsibility for monitoring water at the public beach for e-coli (fecal) bacteria and does so in partnership with the State of NH Dept. of Environmental Services "Healthy Beaches" program. As in years past, the tests have come back with some of the lowest safe levels of surrounding lakes and ponds for e-coli, even during the hottest months when it can be most prevalent. Thank you to all who use the beach for respecting the "No Feeding of Water Fowl" rule. Ducks and geese in the water and on the sand can and will very quickly make this serious bacterium rise. By not feeding them, water fowl are discouraged from staying in the area. Water fowl will deposit fecal matter into the water and onto the sand at up to 2 pounds per day for one Canada Goose. We are all grateful when everyone works together to keep the beach a clean and healthy place for residents. Residents support of keeping the pond treated

for Mil-foil is another way to ensure the healthy life of this important water asset. Please remember if you are using watercraft, paddleboard, kayak; etc. to always wash it off BEFORE putting it in the pond to prevent the spread of this dangerous invasive weed that can choke out a pond, turning it into a swamp in a short period of time. Do this anytime you use a lake or pond anywhere as one body of water most often feeds into another and another. What happens upstream in other bodies of water and towns will affect Phillips Pond and what happens in Phillips Pond will flow into the Exeter River and continue spreading and damaging our ecosystem.

The demand for the use of all facilities has continued to increase with 2018 seeing more use of all facilities than ever before. When not in use by the Recreation Dept. for classes and activities, groups like the Sandown Baseball/Softball Association; TYSL; Garden Club; Boy Scouts; Cub Scouts; Girl Scouts; Sixty Plus; Sandown Public Library; Old Home Days Committee and private rentals have made use of the space at the facility. Revenue turned back to the Town from program fees and rentals exceeded \$58,000.00 in 2018. Please visit the town website at: [www.sandown.us](http://www.sandown.us) and navigate to the Parks & Recreation page for all program information.

Respectfully submitted,

Debra O'Neill Brown  
Parks & Recreation Director

# Sandown Senior Transportation Program

This group of volunteers was formed in 2013 to help the elderly and disabled residents of Sandown with transportation needs.

We provide safe, friendly rides to Sandown residents who are chronically or temporarily ill, disabled or age 55 and older to doctor, dentist, and medical treatments who have limited transportation options, **free of charge.**

We provide transport from Sandown to the Lawrence, Haverhill MA area, as well as Salem, Plaistow, Exeter, Derry and Manchester. Any other requested destinations are at the discretion of the volunteer drivers.

**Any passenger information given to SSATP is strictly confidential.** All volunteer drivers have a driving history and background check completed by the Sandown Police Dept. and the NH Department of Safety before driving.

Transportation is available Monday through Friday from 8:00 am to 3:00pm.

**Pre-registration is required to participate in the program.**

**To sign up for the program or if you would like more information about volunteering please contact the Sandown Town Hall.**

In 2018 our volunteers provided 174 round trip rides totaling 6,300 miles. Since the program began we have assisted our residents with a total of 974 rides that amounted to 41,572 miles.

We always have a need for volunteer drivers. Hours and destinations are flexible to fit your schedule. Just helping 1 person with a ride once a month, makes a big difference to our residents in need !

Board meeting are held on the first Tuesday of the month at 7 PM at the town hall. All meetings Are open to the public.

Respectfully Submitted,  
Regina Wilson  
Director of Sandown Senior Affairs

In 2018, our return on recyclables is still way down, but the result is that they are still not ending up in our trash. Continuing to recycle helps us get the most bang for our buck on waste rates and hauling fees. I would love to thank you for the new compactors; they are working out very well and as of now we are saving on one container per week.

In 2019 I am hoping to implement a few different programs to add other recycling items.

The transfer station is still able to get rid of most waste except for hazardous waste materials. However, the Southeast Regional Refuse Disposal (SRRD) has been very helpful by sponsoring an annual hazardous waste collection day event for such items to be collected. The collection day is normally a Saturday in September and is held at the Brentwood Highway Garage.

I would like to thank Northeast Resource Recovery Association (NRRA) for their time and effort to get the town the most bang for our buck. I would like to thank Great Rate Container Service for always being there when we run into a bind and I would like to thank Waste Management for their role and services.

Let's try to stay positive and make more money recycling.

I want to say thank you to my crew that work out there in all sorts of weather and deal with so many different customers.

Respectfully submitted,

Arthur Genualdo  
Public Works Director

Dear NRRA Member,

As a member of Northeast Resource Recovery Association (NRRA), your community has access to all the services of this first in the nation, 38-year old recycling cooperative. Your member-driven organization provides you with:

- Up-to-date **Technical Assistance** in waste reduction and recycling including solid waste contract negotiations;
- **Cooperative Marketing** to maximize pricing and **Cooperative Purchasing** to minimize costs;
- Current **Market Conditions** and Latest **Recycling Trends**, both **regionally and nationwide**;
- **Innovative Programs** (i.e. Dual Stream, Consolidation and Single Stream);
- **Educational and Networking Opportunities** through our Annual Recycling Conference, our Monthly "Full of Scrap" email news, monthly Marketing meetings, **members' only website**, workshops and Fall Facility Tours;
- **NRRA School Recycling CLUB** - a program to assist schools to promote or advance their recycling efforts;
- **NH DES Continuing Ed Credits**;
- **NH the Beautiful Signs, Grants, Bins and Recyclemobiles**.

NRRA membership has grown to include more than 400 municipalities, businesses and individuals in New Hampshire, Vermont, Massachusetts, Connecticut and Maine. NRRA, as a non-profit organization, is unique in that we do not charge a "brokerage fee" or work to maximize profit gains, but rather has a minimal "Co-op" Fee" which is re-invested to further your recycling programs and solid waste reduction efforts in schools and municipalities.

Through your continued support and dedication, NRRA has assisted our members to recycle over 54,000 tons in fiscal year 2017-2018!

Please contact NRRA at 800-223-0150 / 603-736-4401 or visit our website at [www.nrra.net](http://www.nrra.net)

## **Sandown, NH**

### **Congratulations for being such active recyclers!**

Below please find information on the positive impact your recycling has had on our environment.

The recyclable materials listed below were sent to market to be remanufactured into new products through your non-profit recycling organization, the Northeast Resource Recovery Association.

<b>Recyclable Material</b>	<b>Amount Recycled In 2018</b>	<b>Environmental Impact!</b> Here is <u>only one</u> benefit of recycling materials rather than manufacturing products from virgin resources
Aluminum Cans	20,680 lbs.	Conserved enough energy to run a television for 2,105,224 hours!
Electronics	44,061 lbs.	Conserved enough energy to power 5.6 houses for one year!
Paper	217.6 tons	Saved 3,693 trees!
Scrap Metal	137.1 gross tons	Conserved 383,925 pounds of iron ore!
Tires	6.3 tons	Conserved 4.1 barrels of oil!

#### **Avoided Emissions:**

Recycling uses much less energy than making products from virgin resources, and using less energy means fewer greenhouse gases emitted into the atmosphere.

By recycling the materials above, you have avoided about **1,542 tons** of carbon dioxide emissions  
 This is the equivalent of removing **328 passenger cars** from the road for an entire year!

Insert for the Town of Sandown

In 2018, the Town of Sandown was awarded a grant from NH the Beautiful (NHtB) in the amount of \$437.00. This grant was used toward the purchase of a DumpsterGard Kit and Polyethylene Panels- 2 full kits. The kits will be used to cover the containers and help keep material dry.

NH the Beautiful, Inc. ([www.nhthebeautiful.org](http://www.nhthebeautiful.org)) is a private non-profit charitable trust founded in 1983. All NHtB funding comes from voluntary donations made by the soft drink, grocery, and malt beverage industries in NH.

NHtB has been helping New Hampshire communities improve their recycling programs for over 30 years by providing equipment grants and recycling signs as well as offering discounted pricing on recycling bins and containers.

NHtB New Hampshire the Beautiful, Inc. also supports the NRRA School Education Program (the CLUB). The Northeast Resource Recovery Association (NRRA) ([www.nrra.net](http://www.nrra.net)) is administrator for the New Hampshire the Beautiful programs.

NH the Beautiful is pleased to support the Town of Sandown its efforts to improve its recycling program.
